The Basics

WHAT IS THE DIFFERENCE BETWEEN VENETIAN REWARDS POINTS & TIER POINTS?

Venetian Rewards Points are redeemable, while Tier Points determine Tier Level and benefit eligibility. Redeeming Rewards Points does not impact Tier Points or Tier Level.

WHEN WILL TIER POINTS EXPIRE?

Tier Points expire at the end of the Tier Year. Venetian Rewards Tier Year starts March 1 and runs to the end of February the following year. Tier Points earned in the Tier Year determine the Tier for the current Tier Year and the subsequent Tier Year.
